**Response to Examiner Request to File Terminal Disclaimer**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

On August 6, 2008, the examiner telephoned the undersigned attorney to notify Applicant of a provisional rejection of the currently pending claims based on a nonstatutory obviousness-type double patenting rejection in view of issued US Patent No 7284008. The examiner also indicated that a timely filed terminal disclaimer in compliance with 37 CFR 1.321(c) or 1.321(d) may be used to overcome an actual or provisional rejection based on a nonstatutory double patenting.

Accordingly, a Terminal Disclaimer in compliance with 37 CFR 1.321(c) or 1.321(d) is concurrently filed herewith to overcome the examiner's provisional obviousness-type double patenting rejection.

Applicant believes that all pending claims are allowable and respectfully requests a Notice of Allowance for this application from the Examiner. Should the Examiner believe that a telephone

conference would expedite the prosecution of this application, the undersigned can be reached at the telephone number set out below.

Respectfully submitted,  
WEAVER AUSTIN VILLENEUVE & SAMPSON LLP
